

# Sea Storm Video

LIFE IS ALL MEMORY EXCEPT FOR THE ONE PRESENT MOMENT THAT GOES BY SO QUICKLY YOU CAN HARDLY CATCH IT GOING.

-Tennessee Williams

We at Sea Storm base the quality of our still-photos and video montages on the foundation that; memories are more than a person, place or thing – memories are contributors to the future, the past, building, shaping, and even inspiring as one reflects. A “photograph” an everlasting statement of a very *brief* moment in time.

Sea Storm takes those moments and preserves them in a unique and professional manner. Our techniques of taking still photos and video montages offers you, our client, the ability to personalize your special moment in time. We offer a variety of packages at a range of prices.
